

Rider Solutions is a specialist transport and project management consultancy based in London operating across the UK.

Through its Managing Director John Rider who has over 17 years experience, Rider Solutions offers an affordable solution to any organisation seeking transport policy or project management support.

Ranging from short one-off projects to extended secondments, each assignment will be handled with the professionalism and integrity you would expect.

THE SERVICES WE OFFER

- Development and implementation of area wide travel plan networks including support and advice to the management committee
- Project related consultation and engagement with local community groups, business organisations and key stakeholders
- Advice and support to voluntary and community organisations requiring expertise in transport policy development (including advice on planning applications and proposals)
- Quantitative and qualitative analysis and reporting of consultation feedback
- Support/advice regarding the development of long term relationships with strategic partners to improve local accountability and community engagement

THE EXPERIENCE WE BRING

- Over 17 years experience in the transport and logistics industry including: Central Government; Local Government; Consultancy and Industry
- Practical experience using a range of techniques, including: Focus groups; Public meetings; Postal questionnaires; Canvassing and stakeholder workshops
- Good knowledge of local government processes, particularly engaging with local politicians and elected members
- Excellent analytical skills with experience extracting, disseminating and presenting critical information and data to a non-technical audience

- Expertise in working with small groups to deliver strategic initiatives aligned to common goals/objectives, e.g. Development of an area wide travel plan
- A strong network of industry wide contacts
- Practical experience of Public Inquiries and Examinations in Public, including presentation of evidence
- Sound professional judgement allied with a broad base of experience from which to develop practical, workable solutions

OUR APPROACH TO DELIVERY

Flexibility

Rider Solutions recognises that each assignment is totally unique and offers complete flexibility in its approach to project delivery. Our service can be acquired through a range of alternative methods

- For a designated problem period or to provide short term support for a particular issue (e.g. to support a forthcoming funding bid or to help prepare a response to a Government policy document)
- As a secondment to cover short term absenteeism, maternity cover or a particularly busy period
- As a one-off contract to undertake a specific piece of work
- On a retainer for a specific number of hours per month. Given the breadth of our experience this may be of value to clients with limited resources and a range of issues/projects they wish to progress

Coaching/Mentoring style

Through a collaborative approach to delivery, as well as providing a high quality professional service, a further benefit of working with Rider Solutions will be a noticeable uplift in performance across your wider team. By challenging and questioning team members, skills and knowledge are transferred far more effectively through your organisation, leaving you in a far better position to cope with future challenges.

For more information on any of our services or to discuss any specific projects please do not hesitate to contact John Rider our Managing Director at
