

Rider Solutions is a specialist transport and project management consultancy based in London operating across the UK.

Through its Managing Director John Rider who has over 17 years experience, Rider Solutions offers an affordable solution to any organisation seeking transport policy or project management support.

Ranging from short one-off projects to extended secondments, each assignment will be handled with the professionalism and integrity you would expect.

#### **THE SERVICES WE OFFER**

- Reviewing operational efficiency within a team or division in order to assess the potential efficiency saving through better cross-departmental working and better ways of working
- Review of current activities resulting in time/resource savings
- Mentoring and professional development support to professional bodies (CILT, CIHT, ICE, RTPI) offering guidance and advice to young professionals working towards Chartership

#### **THE EXPERIENCE WE BRING**

- Over 17 years experience in the transport and logistics industry including: Central Government; Local Government; Consultancy and Industry
- A track record of success in organisational change and refocusing team goals to align with corporate/strategic objectives
- Good knowledge of local government processes, particularly engaging with local politicians and elected members
- Excellent analytical skills with experience extracting, disseminating and presenting critical information and data to a non-technical audience
- A strong network of industry wide contacts
- Sound professional judgement allied with a broad base of experience from which to develop practical, workable solutions

## **OUR APPROACH TO DELIVERY**

### **Flexibility**

Rider Solutions recognises that each assignment is totally unique and offers complete flexibility in its approach to project delivery. Our service can be acquired through a range of alternative methods

- For a designated problem period or to provide short term support for a particular issue (e.g. to support a forthcoming funding bid or to help prepare a response to a Government policy document)
- As a secondment to cover short term absenteeism, maternity cover or a particularly busy period
- As a one-off contract to undertake a specific piece of work
- On a retainer for a specific number of hours per month. Given the breadth of our experience this may be of value to clients with limited resources and a range of issues/projects they wish to progress

### **Coaching/Mentoring style**

Through a collaborative approach to delivery, as well as providing a high quality professional service, a further benefit of working with Rider Solutions will be a noticeable uplift in performance across your wider team. By challenging and questioning team members, skills and knowledge are transferred far more effectively through your organisation, leaving you in a far better position to cope with future challenges.
